2K18

HOUR OF CODE FROGGER

INSTRUCTIONS:

Today we will be creating a frogger game on the computer that we will create and then play!

Go here:

<https://www.agentcubesonline.com/quickstart/>

And click on "Create Your 3D Game"

Go through the video while coding your frogger game. Get through all steps in the video and then save a screenshot of your game and click "Submit your game".

With an adult's help: create an account to save your game and to receive your certificate. Save certificate as pdf.
